SUBJECT: Key West Super Boat World Championship

Attached is information concerning a PM Argentina sponsored boat competing in the Key West Super Boat Championships on November 7-13 in Key West Florida. Please be advised that the Marlboro boat is only serving as a competitor in the event, not a sponsor. As a result, there are no hospitality amenities available for local sales force use. If you have any interest in acquiring hospitality and or tickets, I will investigate the cost for you.

If you have any additional information on this program in your market, I can be reached at (212)-878-2184.

Thanks.
